

ISCP: step 2 - Inclusion scan for students

Welcome!

A school should be a safe place for everyone, including LGBTI-people. Unfortunately however, a school is not always LGBTI-inclusive.

Are LGBTI-students and -teachers treated differently in your school or bullied?

Tell us what you see, and tell us what you think in this questionnaire and help make your school a safe(r) space.

This questionnaire will be anonymous and will take about 10 to 15 minutes.

Students **take and/or forward pictures** of other students without the student's consent

* 2. Are students bullied for other reasons than the reasons mentioned above?

No

Yes, please explain:

3. If you are an LGBTI-student, do you feel comfortable to be openly LGBTI at school?
Please explain.

* 4. Do **teachers** treat students differently, because of their identity? E.g. because of their sexual orientation or gender identity.

No

Yes, please explain:

* 5. Do **teachers** insult students and/or use slurs or other derogatory terms?

No

Yes, please explain:

* 6. Do **students** make offensive remarks about teachers because of their (perceived) sexual orientation and/or gender identity?

No

Yes, please explain

* 7. How do teachers deal with a student who **bullies** other students?

* 8. How do teachers deal with a student who **is being bullied** by other students?

* 9. What does the school do to make sure that there is less or no bullying?

* 10. What do you think could help to make sure there is less bullying? Write down your ideas.

This questionnaire is part of the Inclusive School Cycle Program, a toolkit developed as part of the European Project School's Out, with funding of the European Commission.

This project was funded by the European Union's Rights, Equality and Citizenship Programme (2014-2020)
